“Virtues of the Ten Days of Dhul Hijjah” - An Article by Shaikh. Muhammad Ibn Saleh Al-Othaimeen

Shaikh. Muhammad Al-Othaimeen

It is Allah's favor upon us that He made seasons for His righteous worshippers to increase in their pious deeds. from these seasons:

The ten days of Dhul-Hijjah:

There are some evidences about their virtue that were mentioned in Qur'an and the Sunnah, some of them are:

1- Allah the Exalted says: {By

the dawn;(1) By the ten nights (i.e. the first ten days of the month of Dhul-Hijjah)} [Surah Al-Fajr 89:1-2]

Ibn Katheer, may Allah have mercy on his soul, said: "It means the ten days of Dhul-Hijjah as it is said by Ibn Abbas, Ibn Az-Zobair, Mujahid and others and it is reported by Al-Imam Al-Bukhari"

2- Narrated by Ibn Abbas, may Allah be pleased with them both, the Messenger of Allah (prayer and peace of Allah be upon him) said: "There are no days in which the righteous deeds are preferred to Allah but these ten days" They said: Even the Jihad for the sake of Allah? He said: "Even the Jihad for

the sake of Allah except a man who exerted his soul and all his money for the sake of Allah and never returned with any of that." [Reported by Al-Bukhari]

3- Allah says: {and mention the Name of Allāh on appointed days (i.e. 10th, 11th, 12th, and 13th day of Dhul-Hijjah.)} [Surah Al-Hajj 22:28]

{ **Ibn Abbas** said: "The ten days". [Interpretation of Ibn-Katheer]

4- Sa'eed Ibn Jobair, may Allah has mercy on his soul, used to exert his utmost effort in making righteous deeds on these ten days to the point **Cont'd ... Page 2**

“Virtues of the Ten Days of Dhul Hijjah” - An Article by Shaikh. Muhammad Ibn Saleh Al-Othaimeen

(Carried from page 1)

Millions of pilgrims praying at Haram and circling the Ka'ba during Hajj.

Allah the Exalted says:
{By the dawn;(1)
By the ten nights
(i.e. the first ten days of the month of Dhul-Hijjah)} [Surah Al-Fajr 89:1-2]

Pilgrims standing on the Mount of Arafat at the great hajj day!

that no one could surpass him.

5- **Ibn Hajar said in the Al Fath (Fath al-Bary):** “It appears that the preference of these days is due to the gathering of the main acts of worship in Dhul-Hijjah which are praying, fasting, giving charity and pilgrimage which are restricted to these days.

What is preferred to do on these days:

1- Praying: Praying of obligatory prayers on its due times is preferable and also the increasing of Nawafel (supererogatory prayer which were performed by Prophet Muhammad (prayer and peace of Allah be upon him) are the best way to make good deeds with Allah. Narrated by Thawban: I heard the Messenger of Allah, prayer and peace of Allah be upon him saying: “You should prostrate a lot to Allah as with every prostration you make, He raises your rank for one degree and drops one of your sins.” [Reported by Muslim] and this is appropriate at any time.

2- Fasting: as it is from the good deeds.

3- At-Takbeer (saying Allah is the Greatest), **At-Tahlil** (saying there is no God except Allah) and praising Allah.

Imam Al-Bukhari, may Allah have mercy on his soul, said: “Omar was saying: Lâ Ilaha Illa Allah “There is no God except Allah” in his dome in Mina, therefore, the people of Mina heard and repeated after him and so did the people in the markets till the whole city of Mina shook out of their takbeer”.

4-Fasting the day of Arafat: Fasting the day of Arafat is ascertained as it is attested that the Messenger of Allah, prayer and peace of Allah be upon him, said about fasting it: “I rely on Allah that He forgives the sins of the year before it and of the year after it”. [Reported by Muslim]

5-The virtue of the day of the sacrifice: A lot of Muslims forget about that great day, and also about its great rank and virtue, despite the point of view of some scholars who believe that it is the best day ever of the year, even better than Arafat day. **Ibn Al-Qayyim**, may Allah have mercy on his soul, said: “The best day to Allah is the day of sacrifice. It is the day of Al Hajj Al Akbar (the greatest pilgrimage)”.

By what can you receive the good seasons?

1-The Muslim should receive the good seasons in general by the honest, sincere repentance, quitting sins and wrongdoings, for the sins deprive the human from his Lord's grace and keep his heart away from Him.

2-In addition, the good seasons should be received, generally, with the serious and persisting intention to gain the satisfaction of Allah Almighty, for that the one who is honest with Allah, Allah is honest with him: {As for those who strive hard in Us (Our Cause), We will surely guide them to Our Paths (i.e. Allâh's religion - Islâmic Monotheism).} [Surat Al-'Ankabut 29:69]

Some of the ordinances concerning the sacrifice and its legitimacy:

The sacrifice is originally permissible for living people, as the Messenger of Allah, prayer and peace of Allah be upon him, and his companions sacrificed for themselves and their relatives, but there is no origin of the idea of the common who think that it is dedicated to the dead people.

Congratulating for the feast: As it is ascertained by the companions of the Messenger, prayer and peace of Allah be upon him.

Finally, don't forget to comply with good deeds like keeping good relations with relatives and visiting them, leaving hatred and envy and purifying one's heart from them, helping orphans and the poor, making them happy and being kind to them.
